

- No more glued in test plates
- No more mechanical test plugs or test balls

## PermOseal® 4"x3" Reducing Line Cleanout with Test Membrane

**New!** Innovative test membrane from Canplas® enables mess-free removal of the test membrane after a water test.

• Patent Pending

PART #	MATERIAL	DESC.	CTN. QTY.
112107AT	ABS	4" x 3" x 4"	15
212107WAT	PVC	4" x 3" x 4"	15

By puncturing the PVC membrane with a utility knife, wastewater is drained slowly, avoiding the typical torrent of wastewater mess with other test methods.

Simply remove the membrane with a knife after the system is tested.
